To: Senator Pat Connell

From: Senator Nels Swandal 

Re: SB 93

I fully support SB 93 and find some recent editorials against it short on facts but long on a misunderstanding of the bill's impact. SS 93 provides a stringent but reasonable approach to giving someone who has a proven track record of lawful conduct, the opportunity to obtain a restricted license so they can drive to work to provide for themselves and their family. I trust the Department of Justice to implement rules to protect the public.
